1/17/17

We are unable to accept service documents for individuals other than ourselves or employees of the district. The documents were addressed to individual names who do not reside or work at this address. Because they were listed as individuals and did not have their Board member title and their school district name we advised that it was outside the scope of our authority to accept these documents on behalf of these individuals. We did advise that these individuals were residents in Oak Brook and did provide the date and time of the next Board meeting.
